### Downtown Milledgeville: A Holiday Shopping Destination!

Special Thanks to the Milledgeville Fire Department, Public Works, and Main Street for all their hard work in making Downtown Milledgeville look Magical for the Holidays!

There is finally a nip of cold in the air, the lights of the freshly placed Christmas decorations are twinkling, and the streets of downtown Milledgeville are bustling with Holiday Shoppers! This time of year, Milledgeville Main Street is so thankful for all our downtown retail businesses and our many restaurants that give us food and rest! This Holiday Season, make an effort to support our downtown merchants... they offer everything you could ever want or need, plus an unforgettable experience! Special Thanks to all our Downtown Merchants!

As I write for this, the December issue of the Main Street Messenger, I realize that I have been with you almost a year. While there are projects that I have not been able to get to, it is certainly not because I don't want to. We've come a long way in the ten months I have been on board, yet there always seems to be more ideas than hours in the day. We are making great progress... with many more exciting opportunities ahead for 2010. I thank all of you for working with Milledgeville Main Street/The Downtown Development Authority to promote revitalization within the context of historic preservation and I wish for you and yours a very Merry Christmas!

-Belinda Washlesky, Executive Director
